PO Box 5042, Benoni South, 1502
C/O Bradford and Leicester Street, Industrial Sites, Benoni, 1502

22/10/09

Attention: Bernadette

The decision to launch our very first company website during the first quarter of 2009, through Jasper Consulting, has proved to be a very worthwhile exercise for S.A. Mining Supplies. Over the last 6 months, even in these trying times, we have seen a very definite increase in the calls, queries and quotes generating sales for the company.

Regards

Gunther Rindfrey
